**Training required to purchase ELM Kits**

**Ordering guide:** Start with a plan for what you want to make. Use the guide to determine which kit to order.

*\*\*Indicates special order colors*

*Silicone sheets are 500 g and ~ 11"x26". Be prepared to store these in a freezer when the sheets arrive.*

# ELM Kit Materials

Items 9, 10, and 11 should be stored in a flame-retardant cabinet

Item 13 in ELM-UE

The following items will be sent together via ground shipping.

| Image | Part No.              | Description                                                   |
|-------|-----------------------|---------------------------------------------------------------|
| 1     | D-CO-ECHO-050ML       | Ultrasound Gel – 50 ml                                        |
| 2     | D-SC-SI3-BL50         | Silicone Cartridge- 50 ml                                     |
| 3     | D-CO-GLUE-C3          | Acetoxxy glue in tube CAF3 - 50 ml tube                       |
| 4     | D-SC-RTV45-B0.25      | RTV Silicone Paste - 25g                                      |
| 5     | D-SC-RTV45-C0.25      | RTV Silicone Paste catalyzer - 25g                            |
| 6     | D-CO-SNY-B1           | Finishing Tubular stocking roll 6 cm width                    |
| 7     | D-CO-GRID-10X10       | Grid- for valve 10 cm x 10 cm                                 |
| 8     | D-CO-PAPV-320         | 3M Grippy Sanding cloth- 320 - 1 sheet                        |
|       | D-CO-PAPV-600         | 3M Grippy Sanding cloth- 600 - 1 sheet                        |
|       | D-CO-PAPV-800         | 3M Grippy Sanding cloth- 800- 1 sheet                         |
|       |                       |                                                               |
| 9     | D-CO-PRIM-0.30ML      | Silicone Primer- 30 ml                                        |
| 10    | D-CA-KITRESINE-500    | Epoxy kit 500g Resin, 175g hardener                           |
| 11    | D-CO-SWSK-10ML        | Part A & B Sweet skin - 10ml                                  |
| 12    | D-CO-INESS-GRID-20X40 | INESS Grid Reinforcement for window 20 cm x 40 cm             |
| 13    | D-CO-LOT4X4-10        | 10 each: protect 4x4 screws, 4x5 base, 4x4 button head screws |

# Accessories:

*E43 is a stronger glue that can be used for maximum adhesion and silicone repair when needed.*

*Cartridge size: 310 ml*

*Lab Tool needed: Caulking gun*

**D-CO-GLUE-E43**

**Acetox Glue (310ML)**

*The larger 75 ml RTV cartridge is used in the same way as the 50 ml cartridge when extra RTV is needed*

**D-SC-SI3-BL75**

**Silicone Cartridge- 75 ml**

*Solvent is used to clean the air brush or paint sprayer after sweet skin has been applied.*

*This should be stored in a flame-retardant cabinet*

**D-CO-SOLV-0.5**

**Solvent 50ml**

*3M Grippy Sanding cloth can be purchased in bulk. Each box contains one roll with 20 sheets.*

**D-CO-PAPV-P320-Roll**

**GRIPPY SANDING CLOTH BOX -320**

**D-CO-PAPV-P600-Roll**

**GRIPPY SANDING CLOTH BOX -600**

**D-CO-PAPV-P800-Roll**

**GRIPPY SANDING CLOTH BOX -800**
