Dear LAURA WALLACE,

The Pricing, Data Analysis and Coding (PDAC) contractor has approved your request for a Durable Medical Equipment Coding System (DMECS) update. Below is a summary of the change(s) that will be made to DMECS in the next update:

HCPCS Code	Effective Date	End Date	Manufacturer Name	Product Name	Model Number
L5968	November 7, 2019		ST&G USA CORPORATION	GLIDE ANKLE	1512A

This change will be available within ten (10) working days of the effective date in DMECS, which is located on the PDAC web site, [www.dmepdac.com](http://www.dmepdac.com). Please take the time to verify that this change is correctly reflected in DMECS.

If you have any questions, you may contact the PDAC HCPCS Helpline at the address listed above or by calling the PDAC HCPCS Helpline at 877-735-1326. The hours of operation are Monday through Friday from 9:30 a.m. to 5 p.m. EST.

Sincerely,

Pricing, Data Analysis, and Coding Contract (PDAC)
